Dear Candidate,

### **Thank you for enrolling for EDGE Training program at Fortune Cloud Technologies Group.**

We welcome you to Fortune Cloud family and look forward to many years of a mutually beneficial association.

Our extraordinary process has made us unique and following this process and the rules will surely get to your career destination.

#### **Process:**

- 1. Duration:** Duration of your Training will be 3 to 4 months. (Duration is not fixed as ability and understanding level of everyone is not same. You may be assigned with revision sessions if required.)
- 2. Foundation Training:** Initially, you learn Basic Supporting languages like *C Language, SQL/PL-SQL, Web Designing (HTML, CSS, JS, Bootstrap & JQuery) & Software Project Management.*
- 3. Domain selection:** You can confirm your domain of learning at the time of admission or even you can confirm after completion of Basic supporting languages (*referred in Point 2.*)  
Domain options are JAVA/.NET/PHP/Python/Angular/Software Testing/Digital Marketing. **You could choose any one.**
- 4. Mini Project:** You will be assigned with a small mini project once you start with your main domain training to implement the programming concepts practically into your project.
- 5. Soft- Skill Training:** Soft-Skill Training will be conducted on every Saturday which will be conducted by our HR/Placement Team.  
Contact / WhatsApp on [+91 - 9975328281](tel:+919975328281) to know about soft skill batch timings.  
*Attendance is compulsory.*
- 6. Mock Interviews:** **First Mock Interviews** will be conducted after completion of basic supporting languages (*referred in point 2*). **Second Mock Interview** will be conducted after completion of the Core part of the main domain. **Third Mock Interview** will be conducted after completion of Advance part of the main domain. At last **Final Mock Interview** will be conducted on all the topics of the syllabus.

- 7. Test / Assessment:** Theoretical, Practical & Oral exams will be conducted after completion of every module. **70%** is the passing score for every module. If scored less marks/percentage, then, you need to again reappear for the test after 1 week. If you need any brush-up sessions, consult your mentor/Trainer. PFB the below table to understand the bifurcation.
